## OFFICE OF THE MPP

Dr Rahim Karim

Dear Dr Karim,

I am delighted to learn of your appointment as President and Chief Executive Officer at the Canadian College of Naturopathic Medicine. I wish to extend my congratulations along with my best wishes that your tenure in this important role is both successful and impactful.

As a professor and also the Critic for Colleges & Universities, I have an understanding of the rewards and challenges experienced by post-secondary educators. It is not easy work, but the potential to shape the lives of thousands of future doctors is an opportunity that few people are able to experience. It must be humbling to know that the care these doctors will eventually provide to their patients is in some way a reflection of your efforts.

I wish you every success in your new role and invite you to reach out to me at any time if I may be of assistance.

Sincerely,
