## Student Residence Fee Schedule for CCNM Students

---

### Deposit

A deposit of \$250, payable by certified cheque, money order or cash, is required with the application. This includes a non-refundable \$50 administrative fee. Upon termination of residency, \$200 will be reimbursed – provided that the terms of the contract have been honoured and the College has no claims against you.

### Payment

Monthly residence fees of \$390 (which includes a residence floor fee of \$5 per month) are to be paid in full on or before the first day of each month. Any fees not submitted by this date will be subject to an additional late fee of \$30. Payments may be made by certified cheque, personal cheque, money order or cash. If a personal cheque is returned to the College “NSF” you will be subject to an additional fee of \$30.

**If the deposit and confirmation of enrollment from your school are not received with the residence application, it will not be processed.**

### PLEASE NOTE:

1. Make all certified cheques or money orders payable to The Canadian College of Naturopathic Medicine or “CCNM”.
2. A student who is not offered accommodations will receive a full refund of the deposit.
3. A student who is offered accommodation but withdraws the application within the appropriate timeline will receive a deposit refund minus the \$50 administrative fee.
4. A student who is offered accommodation and fails to comply with the terms and conditions outlined in Section 3 (“Deposit”) of the Student Residence Contract will forfeit their deposit.

### NOTICE RE: PENDING CHANGES TO RESIDENCE FEE PAYMENTS

Effective August 1, 2007, the monthly residence fees for CCNM students will increase from \$390 to \$410. As well, a new payment plan option is being introduced to allow students to make rent payments in lump sums – and save on the monthly rate.

#### Monthly Payment Plan

\$410 x 8 monthly payments = \$3280

\$410 x 12 monthly payments = \$4920

#### Sept. & Jan. Payment Plan

\$1600 x 2 = \$3200 (8-month residency)

\$2400 x 2 = \$4800 (12-month residency)

#### One-Time Payment Plan

\$3160 (8-month residency)

\$4740 (12-month residency)

The one-time payment plan represents a residence fee increase of \$5 per month. The September and January two-payment option represents an increase of \$10 per month. Paying on a monthly basis means an increase of \$20 per month.
